Get more out of your Denon HEOS 3

Integrate your Denon HEOS 3 speaker seamlessly into your interior design by mounting it anywhere on your wall with the Vogel's SOUND 5203 wall mount. Mount your speaker vertically or horizontally, in any convenient spot - with the wide turn (70°) and tilt (30° up and down) capacity of the bracket, you can always angle your speaker to provide the best acoustics.

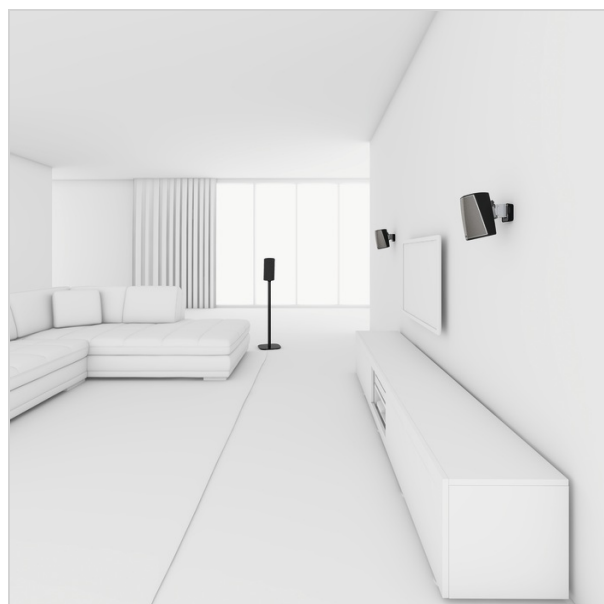

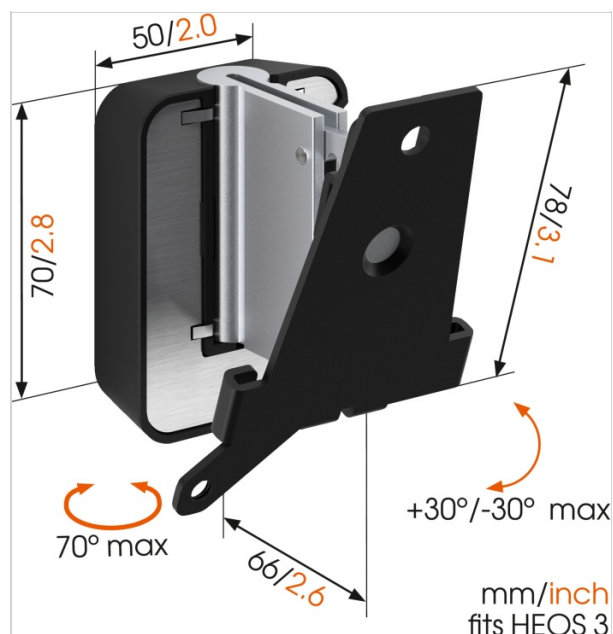

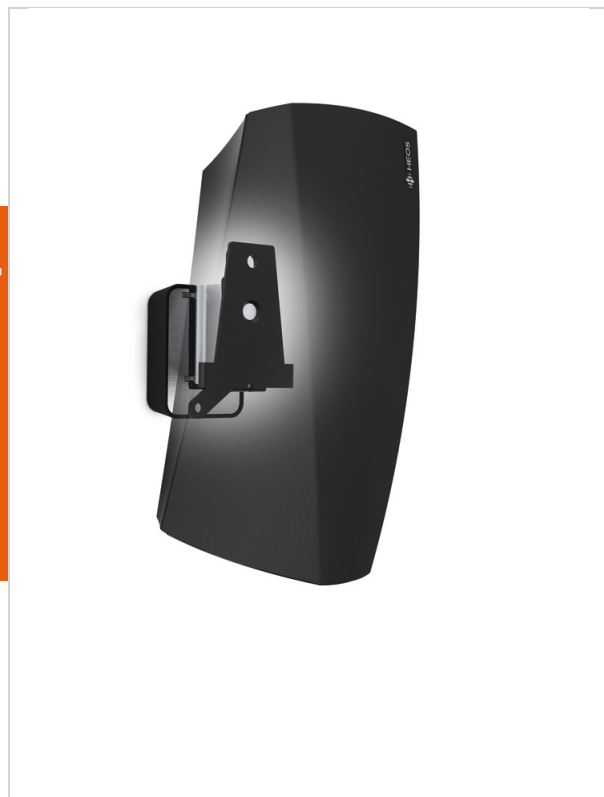

The low-profile wall mount provides secure support for your Denon HEOS 3 and comes in black or white to match the colour of your speaker. Installing the bracket perfectly straight is a breeze, thanks to the integrated spirit level.

Angle your speaker so it sounds best

The Vogel's wall mount for your Denon HEOS 3 helps you save space while still creating the best listening position. Easily angle your speaker with one hand, and immerse yourself in music like never before.

Are you looking for more positioning flexibility, without drilling holes? Vogel's also offers a floor stand for Denon HEOS 3.

Vogel's speaker wall mounts and floor stands are also available for Denon HEOS 1 speakers.
