# M VESA Gas Lift Arm Desk or Wall Basic Black HD

Art No: 7 350 073 732 432

A double jointed gas suspended monitor arm, designed by Multibrackets to optimize your productivity and help reducing strain on neck, back and eyes.

The M VESA Gas Lift Arm HD is made out of a durable aluminum construction and uses a gas driven sus-

pension technique. This makes the screen "float" and it can then be moved with near zero effort. Fingertip tilt provides smooth adjustment in any direction. Supports VESA standards 75x75 and 100x100 and holds screens weighing from minimum 9kg and up to maximum 21kg.

## SPECIFICATIONS
