

PPC 1500 Projector ceiling mount white

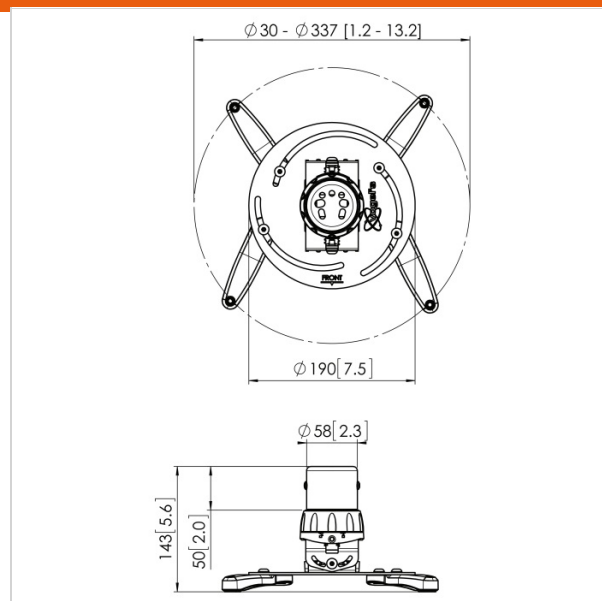

Article number (SKU) 7015001
Colour White

Key benefits

- Cables fully concealed
- Fine tuning during installation
- Theft prevention
- TÜV certified

The PPC 1500 projector mount is specially designed for the new generation projectors up to 15 kg. This projector interface is equipped with a unique fine tune adjustability for precise alignment with the projection surface. Once aligned, the projector stays in position.

Turning the special friction ring will eliminate all play from the interface connections, making the mount a stiff and very stable solution.
